Customer Guide

Home Services.

Meet servijo: every home service in one app. Swipe through the intro with Next.

Create a customer account: fill your name, email, password and phone, pick gender, set your location, accept the terms, then Create account.

The screenshot shows a mobile app interface for creating an account. At the top, the status bar shows '4G' and various icons. The app header is 'servijo'. The main title is 'Create account'. Below it, the 'Register as' section has two buttons: 'Customer' (selected with a checkmark) and 'Service provider'. The form includes input fields for 'Full name', 'Email', 'Password', and 'Confirm password' (with eye icons for toggling visibility). There is a 'Phone' input field. The 'Gender' section has 'Male' and 'Female' buttons. Below that is a location picker button with a pin icon and the text 'Your location'. At the bottom, there is a checkbox for 'I agree to the Terms of Service'. The bottom navigation bar shows three icons: a list icon, a home icon, and a right arrow.

The screenshot shows the login interface of the Servijo mobile application. At the top, there is a status bar with signal, 4G+, and battery icons on the left, and social media icons (Instagram, Facebook, WhatsApp) and the time 8:04 on the right. Below the status bar, there is a globe icon and the text "العربية" (Arabic). The Servijo logo, which consists of a stylized house with an 'S' inside, is centered above the app name "Servijo". Below the logo, the text "Log in" is displayed. There are two input fields: "Email or phone" and "Password". The "Password" field has an eye icon to toggle visibility. A teal "Log in" button is positioned below the input fields. Below the button, there are two links: "Forgot your password?" and "Don't have an account? Register". At the bottom of the form, there is a button with an information icon and the text "About". The bottom of the screen shows the Android navigation bar with three icons: a square, a circle, and a triangle.
