Provider Guide

Home Services.

Meet servijo: the platform that connects you with nearby customers. Swipe the intro with Next.

Create a provider account: fill your details, choose the categories you master, years of experience and a short bio.

The image shows a mobile application interface for creating a provider account. At the top, there are two tabs: 'Customer' and 'Service provider', with the latter being selected and highlighted in blue. Below the tabs are several input fields: 'Full name', 'Email', 'Password' (with an eye icon for toggling visibility), 'Confirm password' (also with an eye icon), and 'Phone'. Below these fields is a section titled 'Service you provide' with an information icon and a note: 'You can choose more than one service – if you have experience in several fields, select them all.' This is followed by a button labeled 'Choose a category' with a small icon. Below this are two more input fields: 'Years of experience' and 'Short bio'. At the bottom of the screen, there is a navigation bar with three icons: a hamburger menu, a circle, and a right-pointing arrow.

3

Pick one or more of the service categories you work in.

Log in with your account. Your account is reviewed by the admin before you receive requests.

The screenshot shows the login interface of the Servijo mobile application. At the top, there is a status bar with network and battery icons. Below it, a language selector shows a globe icon and the word "العربية". The Servijo logo, featuring a stylized house and the letter 'S', is centered above the app name. The "Log in" section contains two input fields: "Email or phone" and "Password" (with a toggle eye icon). A teal "Log in" button is positioned below the fields. Underneath the button are two links: "Forgot your password?" and "Don't have an account? Register". At the bottom of the login section is an "About" button with an information icon. The bottom of the screen features a standard Android navigation bar with back, home, and recent apps icons.

Available: turn on 'Available for orders', see nearby requests, and tap 'Quote a price' to send an offer.

My jobs: follow each job's steps (Requested → Confirmed → In progress → Completed), contact the customer, and see your net earnings.

Dues: your earnings and the commission you owe; settle at day's end or every 3 days.
Monthly PDF statement.

Profile: your categories, experience and details, plus changing phone or password.

Support: user guide, about, report a problem, and share or rate the app.
